

35TH ANNUAL

IHS Crab & Pasta Feed

FEBRUARY 11, 2017 • HYATT REGENCY BALLROOM

Auction/Raffle Item Donation Form

The Incline High School (IHS) Boosters Club provides support to academics, athletics and performing arts programs at Incline High School. This parent organization, chartered in 1969, is a Not-for-Profit and offers general sponsorship for all students and staff of IHS by stepping in where the district leaves off. **100% of Monies donated goes directly to helping the students at IHS reach their greatest potential.**

Silent auction, live auction and raffle prize items are needed for the Boosters Club Annual Crab & Pasta Feed to carry on their mission of “benefiting more than one student for more than one year.”

Yes! I want to support academics, arts, and athletics at Incline High School.
